

## **The Medicus Firm Named One of Best Companies to Work for in Texas 2010**

Press Release  
November 12, 2009

The Medicus Firm, a national physician search firm based in Dallas, was recently named as one of the Best Companies to Work for in Texas 2010. This is the second consecutive year The Medicus Firm was honored as a top employer. Medicus Partners was listed as the 9<sup>th</sup> Best Company to Work for in Texas in 2009, prior to merging with The MD Firm of Atlanta, GA and forming The Medicus Firm in June 2009.

“We are honored to be included on this prestigious list of top employers. When we established this company, our founding principles included providing a positive, fun, yet productive atmosphere for our employees, which ultimately benefits our clients as well,” said Steve Marsh, Managing Partner and co-founder.

This statewide survey and awards program was designed to identify, recognize and honor the best places of employment in Texas, benefiting the state's economy, its workforce and businesses. The Best Companies to Work for in Texas 2010 list is made up of 85 companies, and rankings will be announced in January.

Bob Collins, Managing Partner and co-founder, attributed The Medicus Firm's inclusion on the list to the company's team-oriented approach, the opportunity for professional growth and development, and competitive compensation and benefits. “These attributes, plus the great work environment at The Medicus Firm, have enabled us to attract some of the most experienced and successful talent in the physician recruiting industry,” he added. Monthly Employee Appreciation Days and periodic Team Building Outings are also among the favorite perks for the associates as well, including Starbucks™ coffee days, golf outings, on-site massages, and other unique rewards.

Companies from across the state entered the two-part process to determine the Best Companies to Work for in Texas. The first part, worth 25% of the total evaluation, consisted of evaluating each nominated company's workplace policies, practices, and demographics. The second part, worth 75% of the evaluation score, consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Texas and also analyzed the data and used their expertise to determine the final rankings.

The final rankings will be announced on January 28<sup>th</sup>, 2010. The “Best Companies” awards program was created in 2006 and is a project of TEXAS MONTHLY, the Texas Association of Business (TAB), the Texas State Council of the Society for Human Resource Management (TSC-SHRM) and Best Companies Group.
