To Whom It May Concern:

We have been working with The Medicus Firm, a nationally recognized, retained physician search firm, for the past nine months. We initiated a Multi-Search agreement to recruit for Critical Care/Intensivists, Hospitalists/Nocturnist, Neurology and Outpatient Internal Medicine & Family Medicine. We have had success in the past few months in securing a Board Certified, Fellowship –trained Critical Care/ Intensivist from Yale New Haven in Connecticut, who began in July. In addition to this signing, we have signed a Board Certified Family Medicine/Primary Care physician, and have scheduled several interviews including a Surgeon, and Hospitalists. Working with the Medicus team, both at the executive level, and daily with the Senior Recruiter assigned to our account, I have been impressed with their engagement and follow-up communication, which is excellent and the results have been fantastic!

MedStar Health, has increased its partnership with The Medicus Firm in several locations including with MedStar Union Memorial Hospital, MedStar Georgetown University Hospital in conjunction with MedStar Southern Maryland Hospital, and MedStar Shah Medical Group, as a result of the success that began at MedStar St. Mary's Hospital. I am available to answer any questions your hospital facility, medical group or health system may have regarding The Medicus Firm.

Best wishes for success!

Sincerely,

Don Lewis
Director of Physician Services
MedStar St. Mary's Hospital
